## Registered Surveyor

**Yeats is a National Consulting company providing services** in energy and resources, infrastructure, environmental, property and buildings. Formed in 2006, the company's capabilities are rapidly growing and include preliminary planning, environmental assessments and approvals, feasibility analyses, detailed engineering design and major infrastructure works.

The company has offices in Brisbane, Sydney, Perth, Melbourne, Gold Coast, Mackay, Gladstone and a newly opened office in China. Yeats provides services to both private industry and Local and State Government across Australia.

We have an opportunity for a suitably experienced Registered Cadastral Surveyor to join our Gold Coast team.

### Primary Functions

- Manage the survey engagement process ensuring compliance with legislative and operational requirements;
- Specialised in the areas of subdivision, land surveys, project management and mapping services;
- Use of specialised survey software including 12D Model, Auto CAD, Data CAD, Leica, Trimble, John Keays, GeoOffice, Terramodel and GIS;
- Liaise with local and state authorities;
- Preparation of plans and reports suitable for submission to DERM in accordance with the Registrar of Titles Directions; and
- Mentoring junior members of the Yeats survey group.

### Qualifications

- Tertiary qualifications in Surveying; and
- Registered with the Surveyors Board of QLD.

### Specific Skills and Experience

- Experience in cadastral, mining and engineering surveying;
- Knowledge and understanding of Queensland and/or NSW legislation and practice would be an advantage; and
- Previous experience in a consulting environment would be an advantage, but not essential.

### Personal Competencies

- Ability to work in a team environment;
- Self motivated;
- Project/Client problem-solving focus;
- Ability to develop good business relationships.

A competitive salary package will be offered to the suitable applicant, based on qualifications, skills and experience.

Ideally applicants will have all of the skills and competencies above, but candidates who satisfy most of these requirements are still encouraged to apply. This role is only available to residents of Australia or to those who hold valid working visas or permits.

Please email your covering letter and current CV to [hr@yeats.com.au](mailto:hr@yeats.com.au).
